- 1. On 25 August 1955, the Flak Kaserne (2002) in Brandenburg was occupied by a rear detail of 40 to 50 soldiers. Some buildings were being reconditioned. The units were expected to return in late September.
- 2. Between 0020 and or 0 on 27 lugust, the units from the General eldzeugmeister Kaserne (2001) in Brandenburg were alerted and transferred. Only elements of the units were observed since they left the installation through both gates. Materiel observed included x 122-mm field how there, it field of these, 6-office trailers, 91 trucks, 6 field kitchens, 2 tank trucks, 2 sedans, and 1 jeep. Between 0320 and 0530, the following materiel was entrained at the Brandenburg-Altstadt railroad station: 6 two-load 203-mm guns, 13 tractors with 1-34 chassis and 1 field office. Judging from hoises, additional tractors with 1-34 chassis and guns were parked near the station during the loading. After 27 August, a rear detail of some 10 25X1 officers and 200 soldiers was observed in the installation.
- 3. After 20 Angust, the south and north sections of the Delius Kaserne (2289) in Potsdam appeared to be occurred to caserity again. The units apparently returned from Altenshibows short time prior to 20 August. On 27 August, intensive activity was observed in the south section; 20 prime movers were stored in the yard. Supply officer Lieutefant Colonel Dezachikov was identified in connection with the south section of Delius Kaserne. 4
- 4. On 27 highes, the Holenlohe Kaserne (1291) in Potsdam was occupied by a rear detail wearing red-bordered Tlack spealets with artiflery incidenta. Exeparations in the installation indicated that the units were to return soon. The artiflery division headquarters believed to be stationed there, was still absent. The headquarters allegedly included one Colonel Kocherga who were red-bordered black epaulets with artiflery insigna.
- 5. On 27 August, the Ludendorff Kaserne (2292) in Potsdam was occupied by only a rear detail. Preparations for the return of the units here observed. Polonel Walcohin who work recoordered black epaulets with artillery insignla a definitely belonged to the installation.
